

My name is Jake Long! With my magical powers, I protect the magical creatures who live in this world. I am the American Dragon! Uh... well, in training, anyway...

Let's skip ahead a bit (you don't want to see me wasting away in class, do you?)... Here's Trixie and Spud, my best friends!

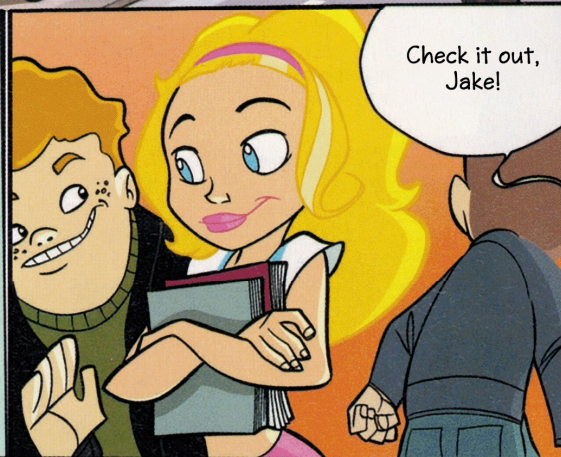

Oh man, what a weird class! Who'd actually believe in monsters and dragons?

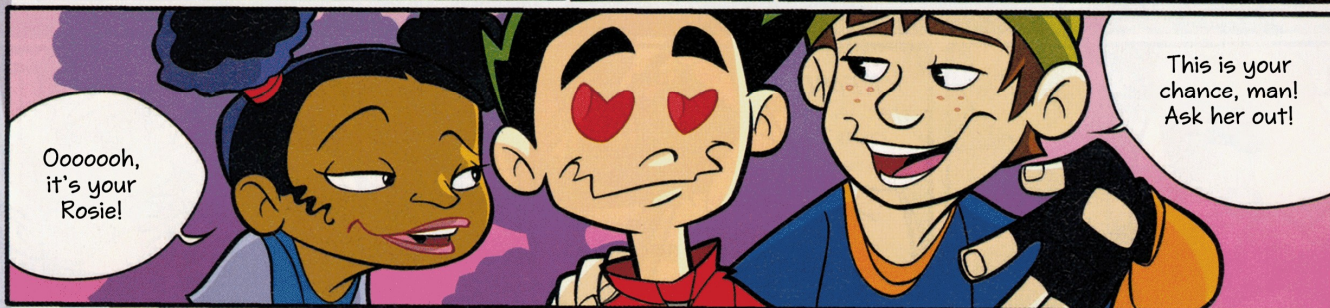

Right...?

Well...

They know about my powers... and my crush... but they keep it secret!

Check it out, Jake!

Ooooooh, it's your Rosie!

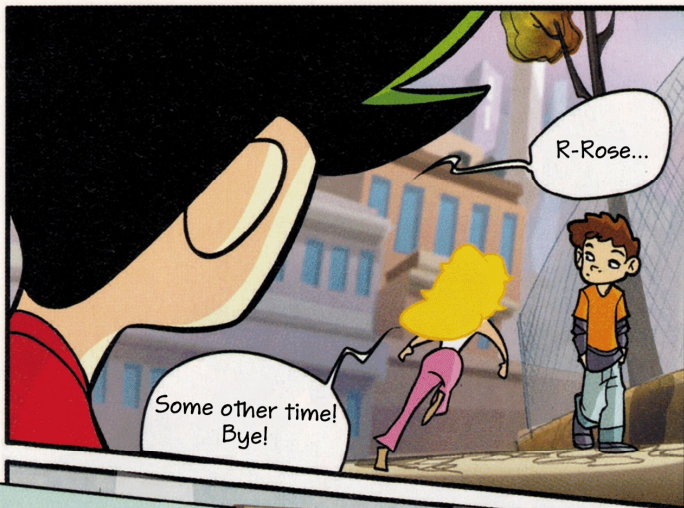

This is your chance, man! Ask her out!

Uh... sorry...

On my way!

R-Rose...

Some other time!
Bye!

Probably a call from
her boyfriend...

Wow! She
darted off
faster
than a
ninja!

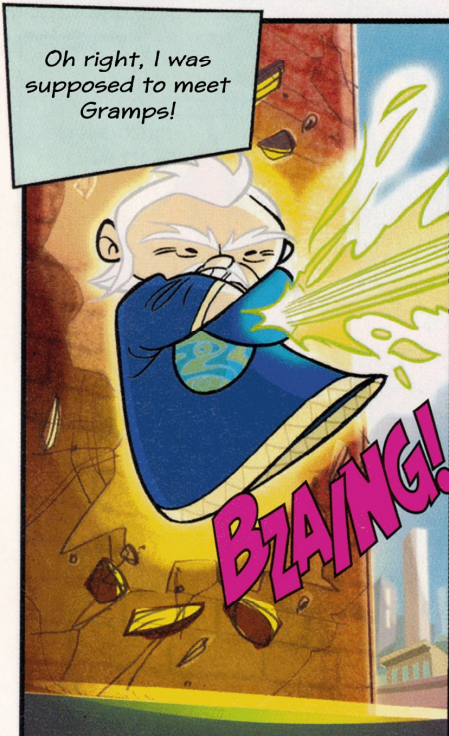

Okay, let's find
something to
lighten the
mood a bit!

The usual.

The usual.

Make mine
double!

Hand over
the phoenix
egg!

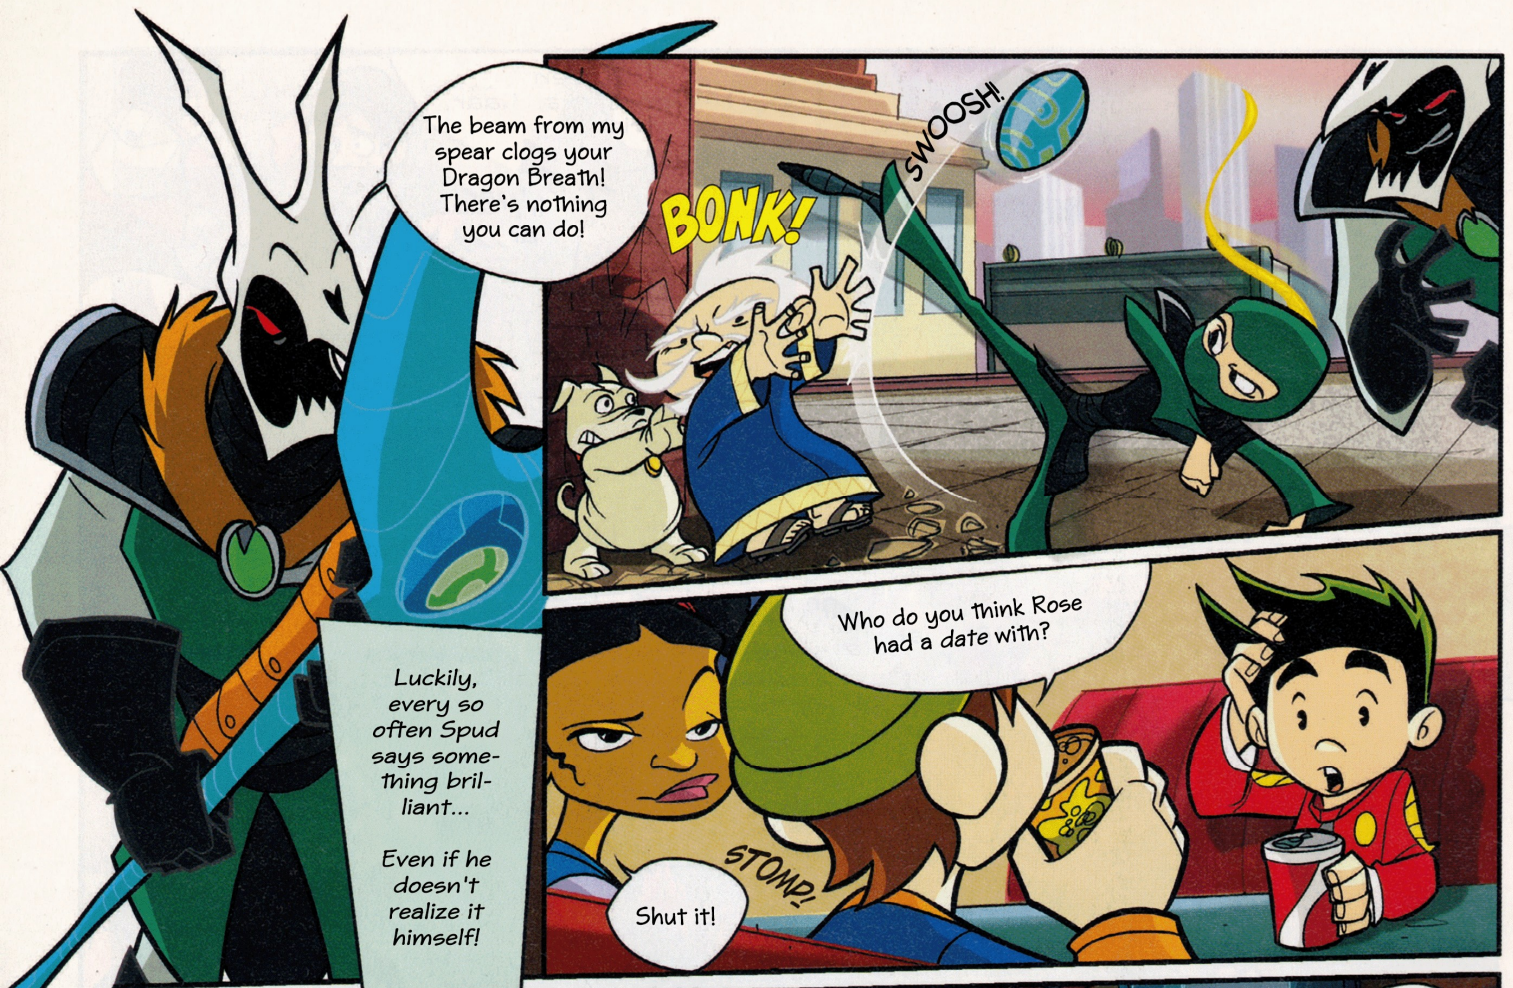

Oh right, I was
supposed to meet
Gramps!

Never! I won't let you add it
to your collection!

And just *HOW* do you
plan on stopping me?

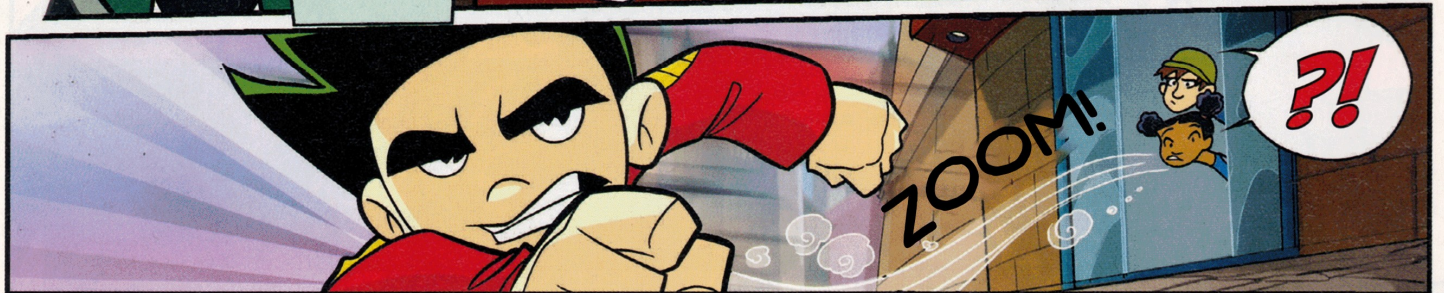

Luckily, every so often Spud says something brilliant...

Even if he doesn't realize it himself!

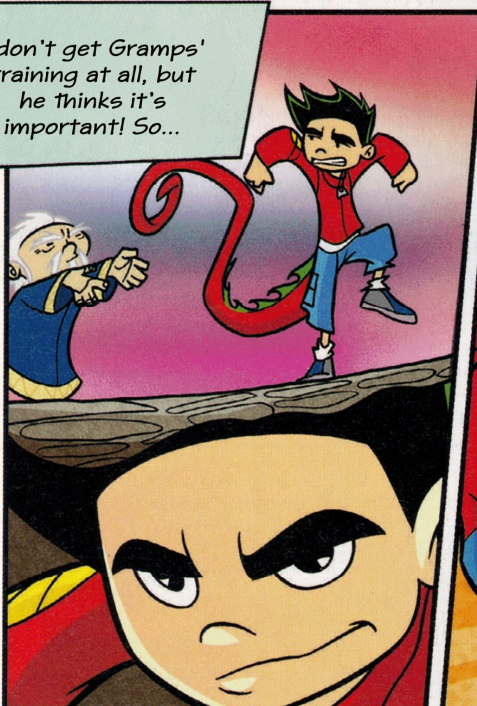

Who do you think Rose had a date with?

Shut it!

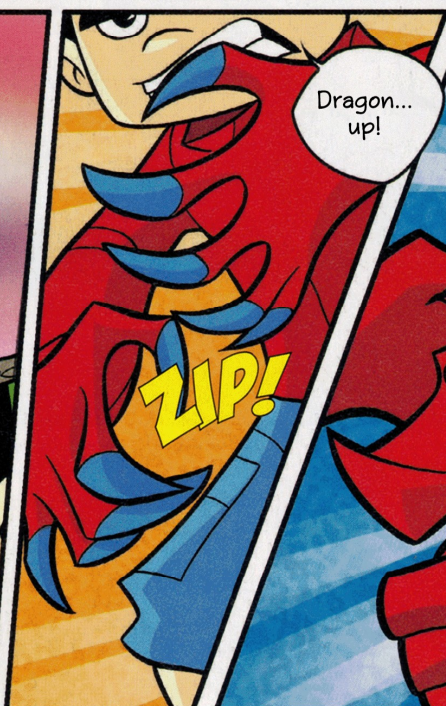

STOMP!

I don't get Gramps' training at all, but he thinks it's important! So...

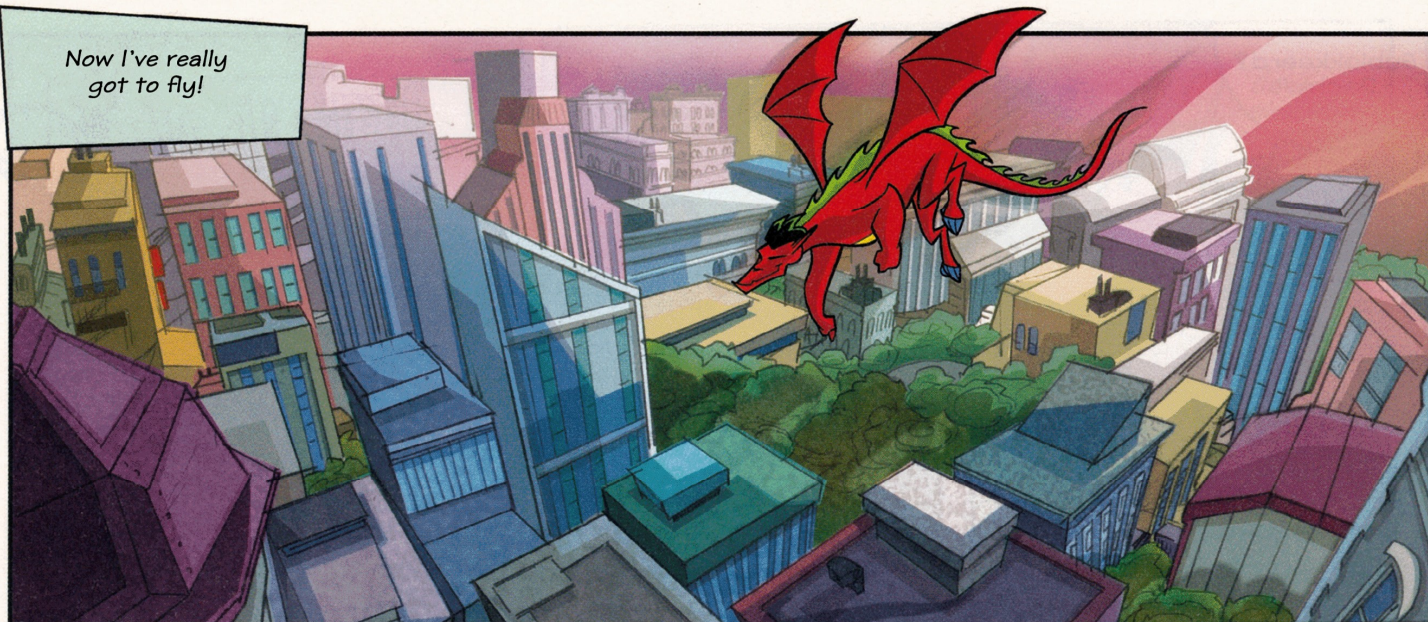

Dragon... up!

PHEW! I don't always get it on the first try!

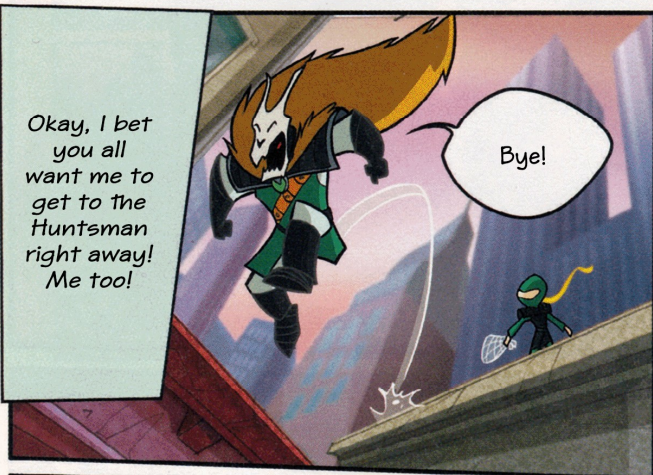

Now I've really
got to fly!

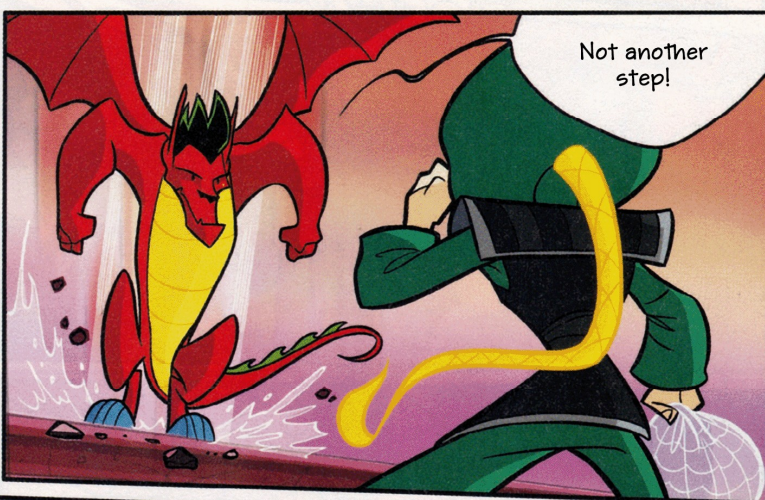

Okay, I bet
you all
want me to
get to the
Huntsman
right away!
Me too!

Bye!

Not another
step!

I don't need
another step!

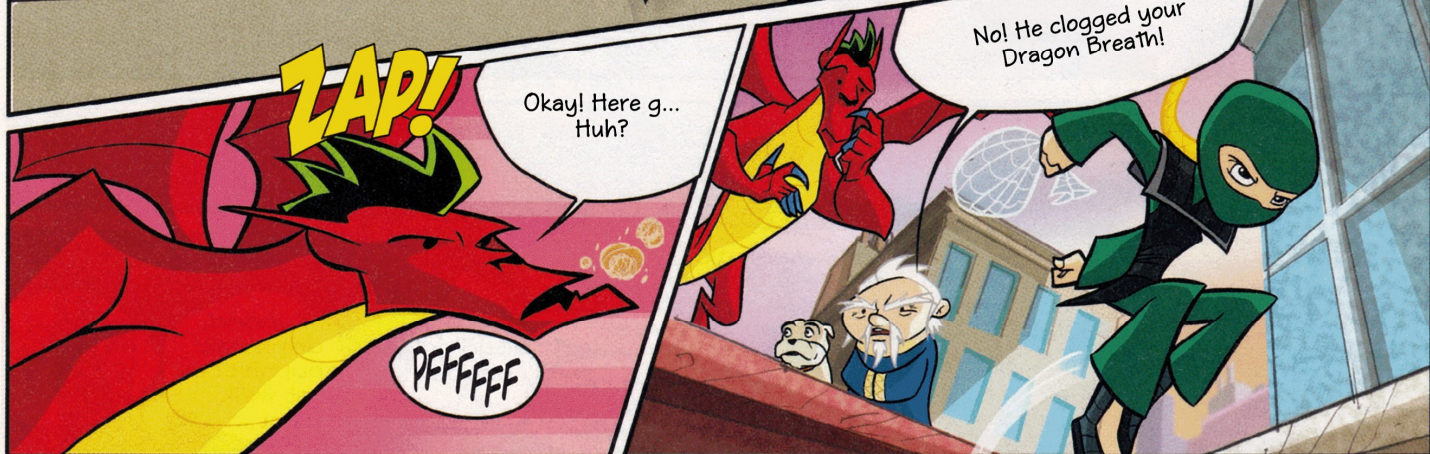

BZZAAAP!

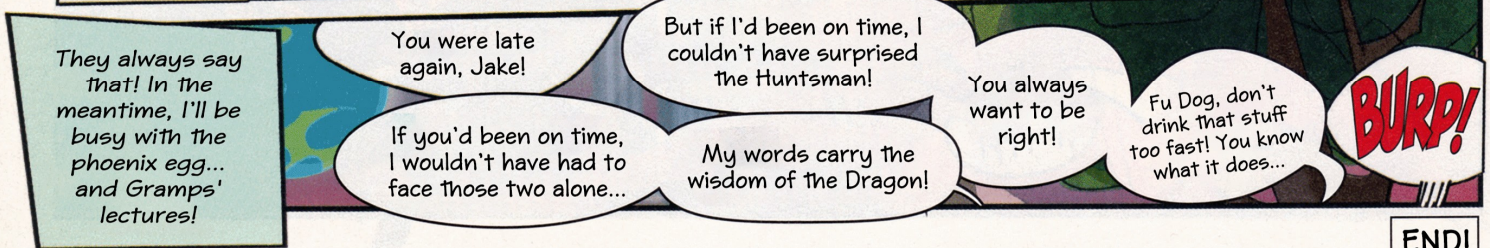

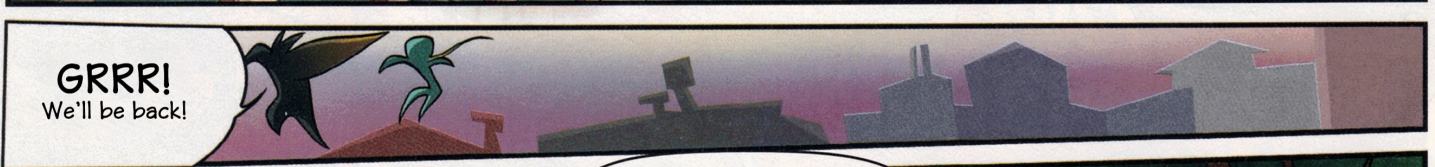

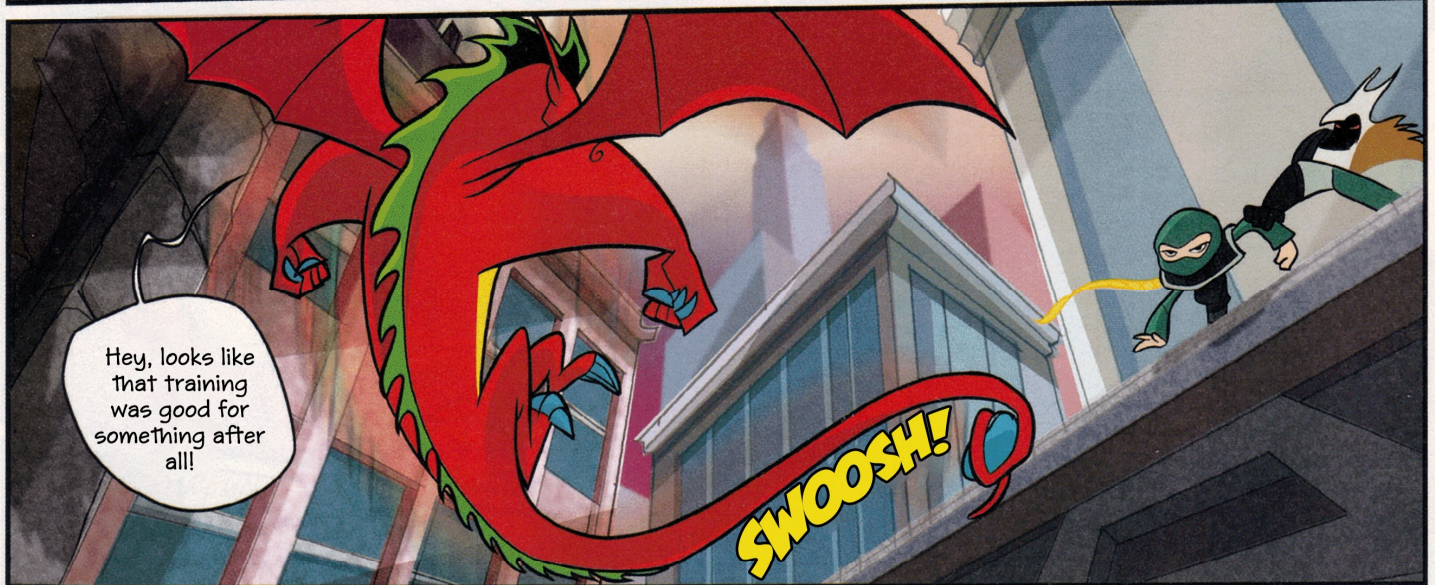

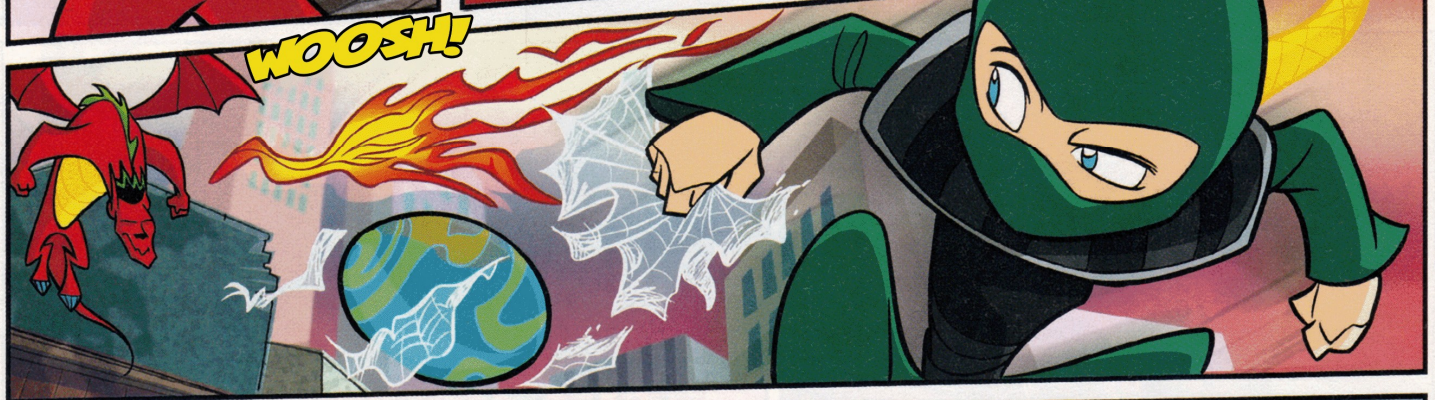

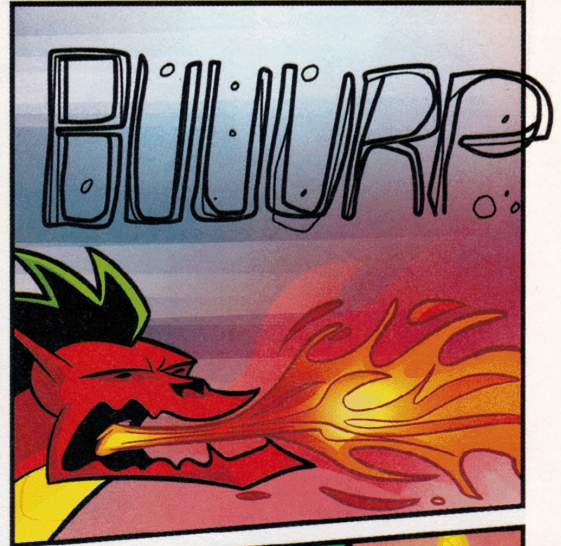

ZAP!

Okay! Here g...
Huh?

PFFFFFFF

No! He clogged your
Dragon Breath!

END!
